Prairie View Auction Night Classroom Basket Donations

On April 11, 2015 the PTO will be hosting our Bi-Annual Auction Night at The Elgin Country Club. We are asking that each classroom creates one themed basket which will be a part of the Silent Auction.

Please consider supporting your child's classroom basket. Each classroom has been assigned a theme for the basket; see page 5 of this newsletter. Please send a suggested donation of \$6 by February 20th to help us purchase basket items or consider sending *new* related items to your child's teacher in between February 9th-20th.

Please send any items identified with your teacher's name and all monetary donations in an envelope labeled "Auction".

****Please contact us if you are interested in
coordinating your child's classroom basket.****

In addition to classroom baskets, we are soliciting donations from the community.

Please contact the PTO if the company you work for provides a service or items that can be donated.

Thank you so much for your help in making this night a success for PV.
Please contact us if you can volunteer your time on this committee.

Thank you in advance for your support,
